RE: Edwards v. Wilkie
Docket No. 16 CIV 8031(OTW)(LTS)

Dear Judge Wang:

I respectfully write to request an extension until November 21, 2019 to file Plaintiff's Daubert Motion. I confused the deadlines for the matters before the Court and did not realize the Motion was due yesterday. Defendants have requested additional pages for their response to Plaintiff's opposition to their motion for summary judgment, however if the Court deems it proper I would respectfully request that the parties be permitted to proceed with Motion Practice. Again, this was an inadvertent oversight and I will admit that I have experienced problems with meeting the Courts' previous deadlines. However again, in this instance I simply believed that the due date was November 23rd rather than the 13th. And since I have already been sanctioned there would be no way that I would intentionally forget to submit any filings when they were due.

Respectfully submitted,

Special Hagan, Esq.
